Memorandum of Intent

We are in the process of negotiating a favorable gas lease for our neighborhood. It will be very helpful if you will give us some information to use in our negotiations with the drillers and will be a solid negotiating tool.

Nothing you indicate on this sheet will bind you legally.

When we get a final offer, you will be encouraged to make your decision at that time about signing a gas lease and **ONLY** at that time.

If you have a neighbor without email, please download and print a copy and share it with them.

If you missed the Areawatch February 29, 2008 deadline, you must mail/fax this form to the Paloma offices yourself.

Thank you,
AreaWatch.org Negotiating Team, www.AreaWatch.org
